

Region 1 Workforce Summit

Developing regional strategies for transforming Idaho's workforce development system to meet the needs of Idaho's industry!

March 3 - 4, 2009

Sandpoint, Idaho

Ed Morrison - National speaker on regional workforce transformation strategies will provide attendees with the tools and information to:

- ✓ Build stronger bonds across all work force and economic development sectors in Idaho
- ✓ Conduct an assessment of your region's assets and identify opportunities and risks based on those assets
- ✓ Develop a shared work force and economic vision for your region
- ✓ Identify available resources to support and invest in the region's vision
- ✓ Build economic and talent driven strategies and map the steps necessary to achieve your region's goals
- ✓ Share these vital strategies with regional partners and communities to further the common vision and increase opportunities for success

Your input is vital...

Plan to engage in critical dialogue about:

- Regional collaboration
- Education and the image of trades
- Healthcare
- Affordable/workforce housing
